

## Fall/Winter/Spring Sessions Self Paced Courses

2017 - 2018

### On-Site Self Paced Learning

Taking an on-site Self Paced course is a great option for some students, but it's not for everyone! If you choose this kind of course...

- Choose a weekly time-slot.
- Attend each weekly session...you can attend all or **minimum 1 hour** of the session you have chosen.
- Be self-disciplined enough to work on your own at home with weekly help from your teacher on site at LEC.
- Must complete 10% of your course every month in order to remain active in the course.

### Online Self Paced Learning

Doing an online course has its benefits and challenges. If you choose this kind of course...

- Enjoy the flexibility of an online course...access at anytime and from anywhere.
- Be self-disciplined enough to work on your own.
- Online course-work is primarily to be completed at home with teacher support at LEC if necessary. All exams are written at LEC.
- Aim to finish at least 10% of your course every month in order to remain active in the course.

### **Important Information About Self Paced Courses**

- You can register for Self Paced courses between late August and April each school year.
- You may sign up for two Self Paced courses at a time. After you have completed 5% of the first two courses, you may sign up for a third one.
- You may be withdrawn from a Self Paced course if you do not attend on a weekly basis (On-Site courses) or log-on regularly (Online courses).
- You have three consecutive sessions to finish a Self Paced course, the session in which you register and the following two sessions. (Exception: You have one session to complete Grad Transitions.)
  - Ask our counsellor or administrator for more information
